To make our students well
rounded and self dependent
individuals, by inculcating in
them passion for life-long
learning, compassion and
respect for others.

THE TORCH BEARERS

PRESIDENT'S MESSAGE

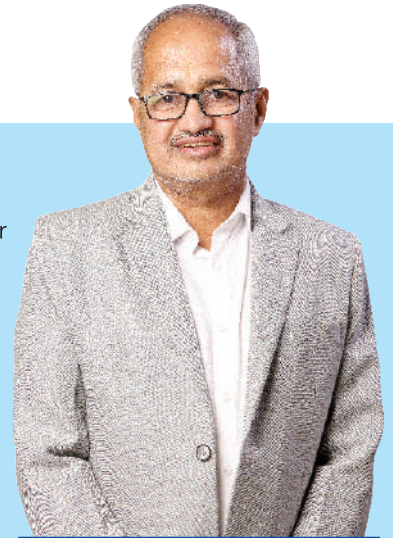

Hearty Greetings for the day!

We hereby express our sincere thanks for showing interest in pursuing your studies at **MKH Sancheti Public School & Junior College, Nagpur**, which indeed is a well established institution with state-of-the-art infrastructure and best in class amenities.

Late Shri Shakti Kumar Sancheti our hon'ble founder member had started this institution in 2001 with a vision to provide incomparable education to all children registering with the institution. The Governing Body is duly transforming his vision into action and is imparting the best quality education that has the potential for holistic development of the students.

The values and wisdom that we ingrain in our students will certainly empower them to be at the winning edge in the course of their career and will also evolve them as an ideal individual.

Let's create future.....

Mohan Madhav Gandhe
President
Oswal Education Sanstha

DIRECTOR'S MESSAGE

Amit Yenurkar
Director

At MKH Sancheti Public School & Junior College,

We believe education is not just about academics—it's a journey that shapes young minds into compassionate, confident and capable individuals. Every child is unique, with their own strengths and potential—waiting to be nurtured. Our goal is to provide a stimulating and supportive environment where students can explore, learn and grow.

We focus on holistic development, ensuring a balance between academic excellence, creativity and emotional well-being. Our learner-centric approach encourages curiosity, critical thinking and self-expression. With a dedicated team of educators, a dynamic curriculum and best-in-class infrastructure, we create an enriching experience that goes beyond textbooks. At MKH Sancheti, we partner with parents in shaping bright futures, fostering values and preparing students for the challenges of tomorrow.

As a concerned parent, your search for an effective collaborator to attend to your child's scholastic and versatile needs concludes at MKH Sancheti.

PRINCIPAL'S MESSAGE

Mrs. Bindu Joseph
Principal

Dear Students and Parents,

Welcome to **MKH Sancheti Public School & Junior College**, a school that focuses on providing an environment where students are encouraged and supported to pursue their dreams and ambitions. Each child is a very special individual who needs a happy, secure and challenging environment to grow.

Today the role of school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers and productive members of an ever changing global society.

We at MKH Sancheti map academic excellence with good human values. We give a lot of importance to make discipline a core value and encourage students to develop sense of responsibility.

Finally, I want to assure you that Management and our team of dedicated teachers are doing their best to give your child the required edge to sharpen their potential.

OUR UNIQUE PEDAGOGY

WELL STRUCTURED AND FOCUSED CURRICULUM

We believe in providing a broad and balanced curriculum that values past experiences and then builds upon them.

HOLISTIC DEVELOPMENT

The school effectively incorporates an education system with a holistic perspective to develop each child's intellectual, emotional, social, physical, artistic, creative and spiritual potentials.

SAFE CAMPUS

The school is well equipped with CCTVs for the safety and security of the students.

PERSONAL ATTENTION

The teachers closely monitor each student's academic progress and also ensure that each child develops the skills and confidence to face all learning challenges.

BEST-IN-CLASS INFRASTRUCTURE

The school has well ventilated and spacious classrooms. Our science labs & computer labs are well equipped. The infrastructure supports teaching and learning in the most conducive atmosphere.

5
STRENGTHS

INFRASTRUCTURE & FACILITIES

Kids Play Area

Supportive Class Room

Well Equipped Laboratories

AC Auditorium

Digital Class Room

Up-to-date Computer Labs

Fully Resourced Library

EXTRA CURRICULAR & CO-CURRICULAR ACTIVITIES

MKH Sancheti focuses on creating an innovative and joyful experience for students by identifying and nurturing individualistic talents and needs by means of conducting various co-curricular activities which are woven in the curriculum to foster the holistic development of the child.

SPORTS AND GAMES

Cricket, Basketball, Skating, Chess, Carrom, Karate, Yoga

We at MKH Sancheti inculcate a spirit of healthy competition and team work in students. Qualified trainers and coaches monitor the progress of every child, to ensure that they learn, and excel at a wide range of sports and games.

PERFORMING ARTS

Music: Harmonium, Piano, Singing, Tabla, Synthesizer

Dance: Indian, Western

Theatre

We help students to discover and nurture a creative spirit while learning. Involvement in Performing Arts helps students to increase academic discipline and provides them with a medium for self-expression.

CREATIVE INTERESTS

Handwriting, Drawing, Painting

Pursuing hobbies and interests is a great way to enhance one's personality and discover hidden talents. The diverse mix of activities under this module ensures that every child finds something that is of interest to him/her.

PERSONALITY DEVELOPMENT

Debate, Elocution, Etiquette Building, Presentation Skills, Public Speaking, Reading

The importance of inter-personal and communication skills cannot be undermined in today's competitive world. These need to be instilled in a person at a young age as it gets harder to acquire them as we grow older. The offerings under this module prepare students to handle challenging social and professional situations with confidence.

SERVICE INITIATIVES

Community Service, Environmental Protection, Celebrations with Deaf & Dumb, Visiting Old Age homes & Orphanages.

In addition to becoming knowledgeable individuals, it is crucial for children to become responsible adults. At MKH Sancheti, students are encouraged to put others' interests before their own and get involved in selfless service for the benefit of those around them.

HOUSE SYSTEM

OBJECTIVES

- 1) Developing team spirit and sportsmanship in every Sanchetian.
- 2) Strengthening the skills to adopt effective winning strategies.
- 3) Preparing Sanchetians to face challenges.

CLUBS

1. **Interact Club** - A service club for students aged 12-18, sponsored by Rotary International. It promotes leadership, community service and social responsibility.
2. **Heritage Club** - For students of Grades VI-VIII, this club fosters respect for cultural heritage and raises awareness about preserving historical sites.
3. **Philately Club** - Encourages students to explore the world of stamp collection, enhancing their knowledge of history, culture, and global communication.
4. **VIBHA Science Club** - Open to students from Grades VI to XII, this Club fosters curiosity, enhances scientific understanding and encourages hands-on exploration of scientific concepts.

SAFE CAMPUS

**“SAFE
CAMPUS
ENCOURAGES
FEARLESS
MINDS”**

SALIENT FEATURES OF MKH SANCHETI

Faculty Development Programs

Our teachers are our strength. So we take initiative to train our teachers to implement updated methods of teaching.

Personalized Attention

We closely monitor each child's academic progress, behavioral issues, requirement of skills so that proper timely guidance and support can be provided to the young nurturing minds.

Diverse Co-scholastic activities

MKH Sancheti strongly believes that since the new age system lays emphasis on Holistic Development, curriculum must be supplemented with extracurricular activities as it channelizes energy of students in fruitful direction.

Knowledge sessions in Morning Assembly

The motive of organizing morning assembly is not just the spiritual development of students through morning prayers but enlightening students with current affairs which are done through knowledge sessions taken daily in the morning assembly.

Value & Attributes

We strive to uphold Indian culture and ethos, whilst fostering Global Citizenship through Value sessions taken in morning assembly as well as classroom teaching.

Quiz & Competitive Exams

With the aim of promoting the learning of skills in subjects like Mathematics, Science, Computer, Technology or English language among students, we at MKH Sancheti encourage students to take up various Quiz, Olympiad and scholarship exams to analyze their strengths and weaknesses based on their performance at various levels.

CURRICULUM:

We at MKH Sancheti are committed to carve a niche in the competitive society by moulding Sanchetians into responsible citizens and capable leaders of the future:

I to IV (Primary School)

Keeping in view the rich and varied imagination of the young minds, schooling involves stress free and attractive methods such as:

- ✓ Regular monitoring of child's progress through innovative testing tools.
- ✓ Development of child's academic and technical skills with the help of modern learning devices such as smart boards.
- ✓ Field trips, role plays, hands on experience are all a support system to empower knowledge.

V to VIII (Middle School)

The pre teen years are both impressionable and receptive. Hence the teaching methods and aids are designed to take this into account. The Middle School Offers:

- ✓ Individualized learning paths assuring coverage of varied concepts and skills.
- ✓ Interactive curriculum throwing challenges to the learner at every stage .
- ✓ Learning through experience activities mapped according to the curriculum.

IX to X (High School)

At this level, the objective and methodology of the Board Exams are primarily focused upon. The students are monitored and trained so that they are well prepared and confident about the upcoming Board Exam . This is done through:

- ✓ Constant evaluation in accordance with the norms of Maharashtra State Board .
- ✓ Learning made easy through seminars on learning techniques, power point presentations etc.
- ✓ Well equipped labs help the students gain practical knowledge.
- ✓ To ensure that each pupil is able to decide a career of his choice at the end of the schooling years, the school facilitates career counselling workshops and scientific assessment for the students to help them to choose a career according to their capabilities.

XI – XII (Junior College)

The junior college is a two year program where the main focus is to establish a strong foundation for XII Board as well as various Competitive exams.

The school facilitates career planning workshops for counseling and scientific assessment of the capabilities based on which students can take career decisions to enter the professional world.

SALIENT FEATURES OF JUNIOR COLLEGE

- SUPPORTIVE LEARNING ENVIRONMENT:** At MKH Sancheti students receive individualized attention from teachers and have access to resources like tutoring services, academic counseling and career guidance.
- STUDENT SUPPORT SERVICES:** We provide comprehensive student support services, including academic & behavioral advising, counseling, career services and extracurricular activities. These services are designed to promote student success, personal growth and overall well-being.
- BEACON OF EDUCATIONAL BRILLIANCE:** The College's commitment to academic excellence is unwavering which is evident in its remarkable track record. Through rigorous curriculum and dedicated teachers, we consistently produce outstanding scholars. Our students excel not only in XII Board Examinations but also in professional pursuits like CA, CS, Law, Hotel Management, Medical, Engineering, IPM, Architecture, Designing etc.
- SCIENCE LAB:** We have well equipped laboratories for imparting practical knowledge in Science. The lab is well stocked with ample specimens, chemicals and instruments so that each student gets the opportunity to carry out experiments independently. Well qualified and competent teachers guide students through a comprehensively planned schedule of practical classes. The safety of every child is duly taken care of.
- COMMERCE LAB:** It provides a unique opportunity for our Junior College Commerce students to get a first hand "feel" of the professional world. The course structure is specially designed in-house keeping in mind the practical challenges to be faced by a Commerce professional.
- COLLABORATIVE LEARNING THROUGH EVENTS & ACTIVITIES:** Events & activities are an essential component of the college experience, as it promotes active engagement, critical thinking and interpersonal skills among students. By participating in various collaborative activities like Intercollegiate Competitions, Science and Technology Symposiums, Academic Conferences, Annual Fest, Social Impact Campaigns students get the opportunity to learn from their peers, develop effective communication skills and enhance their problem-solving abilities.

EVENTS / CELEBRATIONS / COMPETITIONS

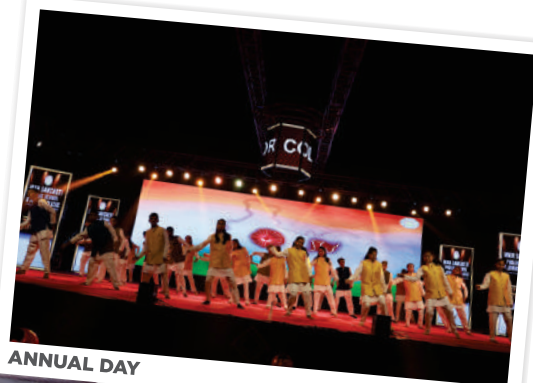

“ALL WORK AND NO PLAY MAKES JACK A DULL BOY”

Events are exercises that are required apart from the typical course of study. Events are basic part of the school life as they exhibit who you are outside the study hall and give a chance to explore your abilities and leadership quality. When students take part in various events, they get the chance to investigate a scope of interests they never realized they had!

Our students love being here, they work hard, play hard, care for each other, share with each other, thus, enjoying all the positive benefits of a co-educational environment. Yearly events and celebrations like San-Dhoom, San-Masti (Fete), Annual Day, Children's day, Parent's day, Sports Day, National Festivals etc become an important part of the school events.
